## OUR SIMCHA TREE

Temple Emanu-El's 'Simcha Tree' (Tree of Joy), of which we are justifiably proud, was designed by noted American Jewish sculptor Sanford Werfel of New Jersey and installed in our Congregation in April 1986. It was given to our Congregation as a gift by Mrs. Sarah Weinstein in loving memory of her husband Isadore.

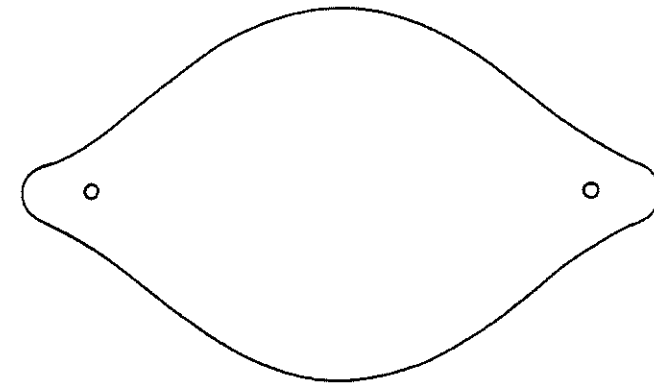

The branches of the Tree form the Hebrew name of our Congregation 'Emanu-El' ("God is with us"). Space is provided for the inscribing of 300 leaves with room for 200 additional leaves in the future. In addition, 12 stones at the base of the Tree may also be inscribed.

The cost of inscribing a leaf is \$180. The cost of inscribing a stone is \$1,000. Examples of possible inscriptions are found on the next page.

If you are interested in inscribing a leaf or stone reminding you of that special, happy family or personal occasion, you are urged to fill out the enclosed Order Form found on the back of this brochure. Send it, together with your check, to Temple Emanu-El, P.O. Box 55403, Birmingham, Alabama 35255.

Here, indeed, is a wonderful way to celebrate both within your own family and within our Temple Family!
