

October 2016

Dear Discovery School Family,

October was an amazing month of celebrating the Jewish High Holy Days. The children dipped apples in honey to express their hopes for a sweet and fruitful Happy New Year! We created whales as we learned about the story of Jonah and the Whale, and decorated our Sukkah with bright, colorful fruits and leaves for the celebration of the fall harvest, Sukkot. Lastly, we proudly marched in the Simchat Torah parade, celebrating the completion of the annual reading of the Torah. This was a wonderful opportunity for all children to learn, discover and engage in the rich traditions and strong beliefs of the Jewish faith.

Celebrating Discovery,

Renea

Education has to focus on each child, not considered in isolation, but seen in relation with the family, with other children, with the teachers, with the environment of the school, with the community, and with the wider society.
