

HSJ Today Summer 2021 Edition!

TEE Newsletter #3

Summer 2021 filled the hearts of each of Jacobs Camp's close to 600 campers and staff members – not to mention all of the camp's supporters and alumni watching from outside the gates. The joy and magic of the summer back at Jacobs Camp offered a space for campers to celebrate their Judaism, have tons of fun, and make best friends last a lifetime.

Some of the highlights included:

- Playing on all of the lake toys including the Blob, Wet Willie, Obstacle Course, Water Trampoline, Rock It, and Iceberg
- Competing as a full community in Jacobs Camp Maccabiah games
- Creating delicious treats in the Test Kitchen, conquering new elements on the tower, developing the perfect Pickleball serve, and honing new skills on the basketball court
- Praying together as a Jacobs Camp community in the Chapel by Lake Gary on Shabbat for the first time in 2 years

Kochavim Postponed Until Spring 2022

The Kochavim overnight program was postponed for the health and safety of the campers. Jacobs Camp has rescheduled Kochavim for Spring 2022 and will continue to monitor pandemic conditions to determine when this will be possible. Find more information about Kochavim 2021 registration here: <https://jacobscamp.org/summer/dates-and-fees/>.
