

Support Israel's Right to Defend Itself Against Hamas and Terrorism

During the past months anti-Israeli and pro-Palestinian messages have been part of the daily events since the October 7th attack on Israel by Hamas. In many cases, the media has negatively propagated the predicament of the Palestine populace in Gaza. The horrific images from Gaza inflamed the world while essentially ignoring Hamas' barbaric and vicious terrorist attack on Israel that initiated the conflict. Little mention has been made of the thousands of rockets that have been routinely fired into Israel, the senseless brutality of the attack, or the corruption of Hamas as the governing body in Gaza. The plight of approximately 100 hostages remains uncertain as well.

Support for Palestine has now been publicly proclaimed by an undisclosed sponsor in the vicinity of the University of Alabama Birmingham (UAB). A billboard was purchased and displayed in May adjacent to I-65 with the message shown here.

The billboard design below has been designed by the *Birmingham Friends of Israel*.

Statement of Purpose to Support Israel's Right to Defend Itself

Hamas is a terror organization that started the current middle east conflict when it attacked the sovereign nation of Israel on October 7, 2023, killed about 1,200 Israelis (mostly private citizens) and other nationals, and took more than 250 hostages (some of which are U.S. citizens) into the Gaza strip. We seek your assistance and financial support to fund a billboard that focuses on Hamas as the cause of the current conflict and terrorism, in general.

No American would tolerate a terror organization, like Hamas, attacking our homeland without seeking them out and eliminating the threat. This is exactly what the United States did when Al-Qaeda attacked us on 9/11.

Now, Israel needs our support as it seeks to defend itself against the terrorist organization Hamas just as the United States did after 9/11. Please support our efforts to focus attention on Hamas, the cause of the current conflict in Israel.

- *Birmingham Friends of Israel.*

Financial support is requested from all to bring attention to the real threat Hamas and other similar anti-Israel and anti-democratic terrorists present to the world and the stability of the Middle East.

We are raising funds to get this anti-terrorism billboard up in downtown Birmingham. Any contributions are welcomed and appreciated. Scan the QR Code (under the name of Mery Anderson) or mail your donations directly to the address below.
